

ATTENTION ALL VRCC CLIENTS – ANOTHER IMPORTANT COVID-19 UPDATE:

VRCC will be moving forward with Phase 2.5 of our Covid-19 plan.

Please see the bullet points below that outline what Phase 2.5 will look like. Phase 2.5 will start on TUESDAY, JULY 7th.

- Dermatology, Oncology (Medical and Radiation), and Ophthalmology are the departments that will be part of Phase 2.5
 - New patient appointments ONLY are now allowed within these 3 departments as well (Cardiology, Internal Medicine, and Surgery were part of Phase 2.0)
 - There will be a limit of 2 people per patient allowed in the hospital.
 - All clients will still need to call when they arrive at VRCC for their appointment.
 - Department coordinators or a member of our Front Desk team will go through our Covid-19 Questionnaire with all clients over the phone.
 - Clients will be asked to wait in their vehicle until a staff member comes out to guide them into the hospital.
 - All Clients MUST wear a mask when they are in the building at all times.
 - We will still be offering curbside service for all clients including new patient appointments if they wish to remain in their vehicle.
 - All communication and transactions will be done in the exam room or in the client's vehicle prior to leaving.
- * Clients are not permitted to wait in the lobby*

We will be continuing with our increased sanitation efforts, and the following protocols that were implemented in Phase 2.0 last month:

- Exam rooms will be sprayed and/or wiped down with disinfectant spray/wipes after a client exits the room.
- Additional hand sanitizers will be installed to the lobby area, between exam rooms, and common areas.
- Social distancing paw print stickers have been added in our lobby, hall, and main traffic areas within the hospital.

With the increase of cases currently in Colorado we will not be moving past Phase 2.5 at least for the foreseeable future

We will continue to post updates on this page, as well as our [Facebook Page](#).

Thank you and we look forward to seeing you soon!

Sincerely,
Your VRCC Team
